Honorable Robert D. Drain:

My name is Fitzsimmons Hood Jr. I worked for over 34 years for Delphi as an Operation Supervisor. I was forced to retire from Delphi in July of 2007, because of plant closing and the company was downsizing. This forced retirement reduced my pension substantially. I was told that I would be provided with health care benefits and life insurance benefits with retirement.

I received a letter stating that effective April 1, 2009 all of my benefits will be canceled. If I have to pay for health and life insurance for my family and myself I will be joining the long list of people who are facing foreclosure.

I am begging you to please not grant Delphi there request to stop providing Health and Life insurance coverage for their retired salary employees.

Sincerely,

Fitzsimmons Hood Jr.
